

Did you ever lose your child by adoption?

Don't
hesitate and
tell about
AAN!

And are you looking now?
Or do you know someone
who is looking for his/her
child?

Have you ever put up
your child for adoption
and would you like to get
in touch with him or her?

The purpose of Adoption Angels Network is to register as many names possible
of adopted ones and their relatives.

AAN is a cooperation of adopted ones on an international level.

This way we hope to reunite relatives again.

Would you like to increase your chances in finding a lost child?

It can be your own child or the child of a friend's.

Sign up for free now at Adoption Angels Network and leave your data behind!

Together we can find the ones we're all looking for.
